

**CHRISTINE DUNCAN COMMUNITY CHARTER SCHOOL  
INSTRUCTIONAL MATERIALS POLICY**

The Governance Council of Christine Duncan Community Charter School is committed to providing every student with the necessary textbooks to take home. The Governance Council believes that allowing students to take their instructional books home will allow them to do better in school. All participants in the Christine Duncan Community Charter School's educational community should be aware of the Governance Council's expectation regarding instructional materials. The Governance Council directs the Deputy Director to establish procedures to implement this policy. Please review book prices listed below.

**Students will be responsible for replacing missing, damaged or stolen books. Students will not be allowed to take another book home until paid in full.**
