

Christine Duncan Community Charter School – Cafeteria Charge Policy

No student will be allowed more than two charges on their account. This applies to students that are on full price or reduced price meals. Since we cannot prepare meals on site, once two charges have been applied to his/her account, he/she can contact their parents or guardian and have them deliver a meal or settle their account. Full entrée service will be continued once the charges are paid for or if the meal is paid for in cash.

Parents will be notified in writing regarding a violation of the charge policy.

Yours in Education,

Jesus Moncada
Principal
Christine Duncan Community Charter School
